## Product Intelligence

# ZeroTech Optics USA: Precision Hunting Optics & Rifle Scopes ## Overview **\*\*ZeroTech Optics USA\*\*** is the official United States website, distribution channel, and authorized retailer for ZeroTech Optics products. Operating as the official US-based division and direct sales entity of ZeroTech Optics, it serves as the primary channel through which customers in the United States can purchase optical products directly from the manufacturer. ## Company Background and Heritage ZeroTech Optics represents over 50 years of optical expertise in the precision optics industry. Founded in Australia in 2018 by Tasco Sales (AUST) Pty Ltd (TSA), the company draws from a heritage of optical manufacturing that began in 1965. The company's founding reflects a commitment to providing accessible, high-quality rifle scopes that combine premium features with competitive pricing. ## Product Portfolio ### Rifle Scopes ZeroTech Optics USA offers a comprehensive range of rifle scope models across multiple product lines: **\*\*Available Binocular Models:\*\*** - TH832 - TH1032 - TH1042 - THD825 - THD842 - THD1025 - VG1042 - VG1042ED - VG1050 - VG1050ED - Vengeance line of binoculars **\*\*Available Riflescope Models:\*\*** - Vengeance 1-8x24 RAR LPVO - Vengeance 1-8x24 RAR FDE - Vengeance 3-12x40 R3 - Vengeance 3-12x40 PHR 4 - Vengeance 6-24x50 R3 - Vengeance 6-24x50 R3 IR - Vengeance 1-10x28 RMG-L - Vengeance LPVO series ## Technical Features and Specifications ### Optical Construction Standards ZeroTech Optics USA products are engineered with emphasis on: - **\*\*Argon Purging\*\***: All scopes are argon-purged to prevent internal fogging, ensuring

clear visibility in humid or extreme weather conditions - **O-Ring Sealing**: Waterproof protection for reliable performance in all environments - **Multi-Layer Lens Coating**: Improved light transmission and reduced glare for enhanced optical clarity - **High-Quality Glass**: Clear optical glass designed for dependable performance in demanding field conditions

### Reticle Systems ZeroTech Optics manufactures proprietary reticle designs including: - **RMG FFP Reticle**: A refined mil-grid system perfect for maintaining elevation and windage in high-speed, precision shooting - **R3 Reticle**: Allows shooters to utilize second focal plane (SFP) scope capabilities while maintaining the ability to hold accurate long-range shots - **PHR Reticles**: Precision Hunting Reticle options including PHR 2, PHR 3, and PHR 4 variants for various hunting applications - **LR Hunter Reticle**: A specialized reticle developed for long-range hunting with First Focal Plane technology and adjustable illumination - **Mildot Reticle**: Mil-based ranging reticle for tactical and distance estimation applications

### Adjustment Systems - **Repeatable Turrets**: Lockable quick-adjustment turrets allow precise field adjustments without losing zero - **MOA Adjustments**: Intuitive inches/yards adjustment system - **MRAD Adjustments**: Metric standard for precision shooting applications

## Warranty and Customer Support ZeroTech Optics USA products are backed by the **Triple A Lifetime Warranty**, providing: - **Unconditional Lifetime Coverage**: No receipt required for warranty claims - **Repair or Replacement**: All products covered for life against defects - **Transferability**: Warranty transfers with the product, providing peace of mind for second-hand purchases

## Distribution Channels ### Official Retail Platform ZeroTech Optics USA functions as both a direct retailer and the manufacturer's official sales channel, enabling customers to purchase optical products directly through its website at **zerotechoptics.com**. This ensures: - Authentic product sourcing directly from the manufacturer - Reliable access to current inventory - Direct manufacturer oversight of distribution within the United States market

### Product Categories Available - **Binoculars**: Multiple magnification and objective lens options for hunting, birding, and outdoor observation - **Rifle Scopes**: Entry-level to professional-grade options across multiple product lines - **Optical Accessories**: Supporting equipment for optical systems

## Key Differentiators **Reliability**: ZeroTech Optics USA provides dependable mechanics, clear glass optics, and repeatable tracking with responsive customer support in the USA market **Heritage**: Built on over 50 years of combined expertise in the optics industry **Value Proposition**: Combines premium features typically found in higher-priced alternatives at competitive price points **Accessibility**: Direct purchasing from the manufacturer ensures availability and authenticity for US customers
